

HELLO, WE ARE
YOLK

Just like an egg
with its yolk,
every child inside
its shell has
a hidden treasure.

YOLK is a non-profit organization focusing
on educational inequalities in Italy.

These conditions of poverty are strongly related to the failure to achieve adequate learning levels and the impossibility to participate in extracurricular educational and social activities.

Children and adolescents living in families with very limited financial resources are more likely to drop out of school early.

YOLK WANTS

To support growth in terms of knowledge, experience and stimuli so that everyone's future can be brighter.

MISSION

To provide equal access to educational opportunities,
enabling children and young people to express the difference
each one can make in the world.

VISION

To inspire young generations to flourish, encouraging
the full expression of their yolk.

● Stimulating beauty and its recognition along with the awareness of deserving it.

● Acting as a social accelerator for the whole territory, creating intra-generational synergies, enriching through osmosis also the surrounding subjects.

● Making Giants, namely those who in life have achieved the highest expression of themselves, even in fields outside their own professional history, reachable.

YOLK provides educational activities
when they are not sustainable for families.

It offers extracurricular programmes to expand
young people's horizons in terms of experiences
and stimuli.

During the summer it opens the doors
to the worlds of sports, arts and crafts,
emotional and civic education.

It accompanies and financially supports
the educational paths of young women
living in vulnerable conditions.

OUR FORMATS

OUR FORMATS

EXTRACURRICULAR ACTIVITIES

Through the support of our partners we manage to keep schools open in the afternoon, bringing in the world of sports, arts and crafts and civic and emotional education.

YOLK LABS

Our partners help us support creative extracurricular workshops, sports activities, sustainability programs and guidance sessions, and/or to co-design them based on topics of interest for the company.

SUMMER CLUBS

Together with our partners, we keep schools located in vulnerable neighborhoods open during the summer to contribute to the well-being and social and emotional development of boys and girls, offering support and resources to their families.

YOLK FUTURE

With our partners, we promote customized projects for young people also after school supporting them with educational guidance, career training and social inclusion. Conditions of material poverty should not be an obstacle to access educational programmes or professional careers.

BECOME
A GIANT
WITH YOLK

Contributing to achieve equal education means doing something today that will have a significant social impact tomorrow.

By supporting YOLK's projects, your company can also help achieve some key goals of the UN's 2030 Agenda and strengthen your connection to the local community.

BECOME A GIANT WITH YOLK

Besides accompanying you through this path of social sustainability, we help you communicate your activities in a personal and concrete manner to enhance your commitment and consolidate your position as a promoter of social acceleration.

- Involve employees as GIANTS - your expertise can be a great motivation for all of our YOLKIES.
- Communicate projects and partnerships to your stakeholders with a social media editorial plan designed ad hoc in collaboration with YOLK.

Communicate transparently through the report that you will receive at the end of each project and include it in your sustainability report.
